

LOHITHA.B

Robotics & Automation Engineer | Industrail Automation| Python programming

Puducherry,India | +91 9600914126 | lohithabala28@gmail.com

PROFESSIONAL SUMMARY

Robotics and Automation Engineering undergraduate with knowledge of Python and Java programming and basic knowledge of C. Interested in software development and eager to learn new technologies. Seeking an opportunity to apply my technical skills and gain practical experience.

TECHNICAL SKILLS

- Python
 - java
-

PROJECTS

AUTONOMOUS SERVICE ROBOT

- Autonomous Service Robot Developed an autonomous robot capable of independent navigation. Implemented obstacle detection and autonomous path movement. Gained hands-on experience in robotics and automation technologies.

FIRE FIGHTING ROBOT

- Designed and developed a robotic system for fire detection and suppression. Integrated sensors and control systems for autonomous operation. Enhanced practical knowledge of robotics and embedded programming.
-

EDUCATION

B.tech,Robotics and Automation- Manakula Vinayagar Institute of Technology 2023-2027

CGPA:8.5 (through 5th Semester)

HSC - Immaclulate Higher Secondary School

Puducherry| 2023

SSLC - Immaclulate Higher Secondary School

Puducherry| 2021

CERTIFICATION

UIPath RPA Developer Foundation – 2025

- Completed training in UiPath Studio.
- Learned Robotic Process Automation (RPA) and workflow automation.
